JOKES!!!

A captain of a ship was retiring after 40 years in the business.

He had some good voyages, and some bad, but it was finally time to sail one last time. Before each trip, the captain would open a small leather book, read a certain page, close the book and board the ship for the voyage. Only he knew what the leather book said. Not even his first mate knew what the passage was that he read.

The captain had already boarded the ship after reading the book. Taking note where the captain stored it, the first mate told another crewman "We really need to find out what that book says. Tonight, you will distract him, I'll grab the book, and we'll find out what the captain reads before each trip." The crewman agreed, and both waited for nightfall.

At last, the time had come to steal the leather book. Everything went according to plan, and both the first mate and the crewman were hidden in a remote part of the ship, ready to read the words of wisdom the elderly captain examined before each trip.

They opened the book. It was empty, except for one page, which read:

"Remember, starboard is right, and port is left."

Pizza Google

A man calls Pizza Hut:

--Hello, Pizza Hut?

--No, sir. Pizza Google

--Oh, sorry. Wrong number..

--No sir, it's the correct number, it's just that Google bought Pizza Hut

--Oh... okay, so... take my order, please

--Same as always?

--And how do you know what I want?

--Well, according to your street name and your apartment number, your last 12 orders were a large pepperoni pizza

--Uh, o-okay... yeah, I want that please...

--May I suggest pizza without salt and with ricotta, brocoli and tomato?

--What? Why? No! I hate vegetables!

--Your cholesterol is not good sir...

--And how do you know?

--We got your info on your last 7 blood analysis, the numbers are quite bad

--Stop! Enough! I take my medication!

--Uhhh, sorry sir but our database shows that you've not taken it lately. The last box of medication you bought, was bought the 15th of February at 3:45 PM.

--B-But I bought more at another pharmacy!

--Your credit card records tell otherwise...

--I paid in cash! I have another source of income

--Your last tax declaration doesn't show that, sorry sir, we dont want you to have problems with the government...

--Forget it! I don't want my pizza anymore!

--Sorry sir, we just wanna help.

--Help? I'm so tired of Google, Facebook, Instagram, everything! I'm gonna go to an island where I can live without internet!

--I understand sir, but it says here that your passport expired 5 months ago...

My older brother always tore the last pages of my comic books, and never told me why.

I had to draw my own conclusions.

I bought a dictionary and when I got home I realized all the pages were blank... I have no words for how angry I am.

Three days later the patient comes for a check-up and the doctor asks:

“Well? Are you still coughing?”

The patient replies: “No. I’m afraid to.”

A grandma brings a bus driver a bag of peanuts every day.

The granny answers: "You know, I don't have teeth anymore. I just prefer to suck the chocolate around them."

A wife complains to her husband: "Just look at that couple down the road, how lovely they are. He keeps holding her hand, kissing her, holding the door for her, why can't you do the same?"

The husband: "Are you mad? I barely know the woman!"

Did you hear about the new movie Constipation?

[No]

It hasn't come out yet.

If you walk into a forest and cut down a tree, but the tree doesn't understand why you cut it down,

do you think it's stumped?
