...WE MEAT AGAIN!

Instead of the John I call my bathroom the Jim!
That way it sounds better when I say I go to the Jim first thing every morning!!!

"Never date cross eyed people. They might be seeing somebody on the side!"

When life gives you melons, you're dyslexic

ALL KINDS OF JOKES!

Teacher: "If I gave you 2 cats and another 2 cats and another 2, how many would you have?"

Johnny: "Seven."

Teacher: "No, listen carefully... If I gave you two cats, and another two cats and another two, how many would you have?"

Johnny: "Seven."

Teacher: "Let me put it to you differently. If I gave you two apples, and another two apples and another two, how many would you have?"

Johnny: "Six."

Teacher: "Good. Now if I gave you two cats, and another two cats and another two, how many would you have?"

Johnny: "Seven!"

Teacher: "Johnny, where in the heck do you get seven from?!"

Johnny: "Because I've already got a cat at home!"

A teacher asked her students to use the word "beans" in a sentence. "My father grows beans," said one girl. "My mother cooks beans," said a boy. A third student spoke up, "We are all human beans."

A husband and wife were driving through Louisiana. As they approached Natchitoches, they started arguing about the pronunciation of the town. They argued back and forth, then they stopped for lunch. At the counter, the husband asked the blonde waitress, "Before we order, could you please settle an argument for us? Would you please pronounce where we are very slowly?" She leaned over the counter and said, "Burr-gerrr Kiiing."

Teacher: "Which book has helped you the most in your life?"

Student: "My father's check book!"

A: I have the perfect son.

B: Does he smoke?

A: No, he doesn't.

B: Does he drink whiskey?

A: No, he doesn't.

B: Does he ever come home late?

A: No, he doesn't.

B: I guess you really do have the perfect son. How old is he?

A: He will be six months old next Wednesday.

A police officer attempts to stop a car for speeding and the guy gradually increases his speed until he's topping 100 mph. The man eventually realizes he can't escape and finally pulls over. The cop approaches the car and says, "It's been a long day and my shift is almost over, so if you can give me a good excuse for your behavior, I'll let you go." The guy thinks for a few seconds and then says, "My wife ran away with a cop about a week ago. I thought you might be that officer trying to give her back!"

A bank robber pulls out gun points it at the teller, and says, "Give me all the money or you're geography!" The puzzled teller replies, "Did you mean to say 'or you're history?'" The robber says, "Don't change the subject!"
