

Week 3 "From the Heart in 2020" Email April 3 2020

Greetings from Winnipeg! We are happy to put this issue together for you and keep sharing the love of long distance mail in a NEW way, VIA email!

Each Friday we will send an email to your place for the staff to distribute to you.

We hope you are all doing well, comfortable and we hope this provides some reprieve from the days events. Our (e)mail each week is all about sharing the gift for laughter, love of kids art work with lots of color, interesting stories, puzzles and more fun things!

If you know someone who could use a few good laughs OR know of any parents who would like to get their kids art work involved PLEASE have them email us at fromtheheartin2020@gmail.com

We hope you have a great week and THIS coming week we will try our best to get the next letter to you by Thursday in time for Easter Weekend. A HUGE THANK YOU to ALL the STAFF helping to contribute our heartfelt (e)mail to you!

Our hearts are with you all!

From the Heart in 2020 Letter Project

My boss told me
to have a good day..
..so I went home.

I have been reading a
book about anti-gravity...
I just cannot put it down!

PEAS OUT.

I keep hearing music
coming from the printer.
I think the paper
is jamming. 🙌😂

No English dictionary has
been able to explain the
difference between the two
words complete and finished.
Some people say there is no
difference but there is.
When you marry the right
woman you are complete!
When you marry the wrong
woman you are finished!
Though if you marry a wife
who likes shopping you are
completely finished!

PI IS THE LONELIEST NUMBER

Why don't cannibals eat clowns?
