He'll stop at nothing to avoid them.

Yesterday I saw a guy spill all his Scrabble letters on the road.

I asked him, "What's the word on the street?"

Man Gets Into An Argument With His Wife But Is Shocked When She Does This

A man and his wife were having some problems at home and were giving each other the silent treatment.

LoveThisPic.com

Suddenly the man realized that the next day he would need his wife to wake him at 5:00 AM for an early morning business flight.

Not wanting to be the first to break the silence (and LOSE), he wrote on a piece of paper, "Please wake me at 5:00 AM ." He left it where he knew she would find it.

The next morning the man woke up, only to discover it was 9:00 AM and he had missed his flight.

Furious, he was about to go to see why his wife hadn't wakened him when he noticed a piece of paper by the bed. The paper said, "It is 5:00 AM . Wake up."
